Meating 4 Seniors

There is a special place serving Okotoks and High River that can use your help. It's a seniors home that provides a modern, welcoming and caring environment between the higher priced private homes and the Provincial homes, and it's called Abbeyfield House. It's 100% non-profit and is a registered charity. Donations and contribution to it are therefore tax deductible. It provides new and lovely accommodations in a residential setting in High River to 10 seniors who would be typical Moms, Dads and Grandparents in the community.

We rely on private support to provide this service and are all volunteers except for the Manager and two part time employees. The continuing support of seniors in a home like Abbeyfield is extremely important for our communities.

If you have slaughtered beef, pork or lamb that you can donate, we will arrange to provide the cutting and wrapping. Already packaged meat is even more welcome. It will feed our seniors, help us keep our prices low, and we will provide you with a tax receipt for the valued amount of your donation. As well, you will be entered into the Book of Honour located in Abbeyfield House showing you as a Supporter.

Thank you for considering our request, & we look forward to hearing from you.
